

Colorado Cherokee Circle

Who we are

Colorado Cherokee Circle (CoCC) is a community of Cherokees dedicated to Cherokee history, culture, heritage, tradition and fellowship. We are a non-political, non-profit 501c3 Native American organization whose members reside outside the historic boundaries of the Cherokee Nation. We have come together on the basis of our shared history and heritage, and out of an interest in the continuation of and a love for the Cherokee People and Nations.
